GENERAL CONDITIONS

These Terms and Conditions are those under which Access & Automation Ltd offers to sell its products and services ("Products"). The sale of said Products is expressly limited to, and made conditional upon, Purchaser's acceptance of these Terms and Conditions. These Terms and Conditions shall be the exclusive terms and conditions under which said Products are sold and cannot be modified or amended except in a separate document executed by an authorised representative of Access & Automation Ltd. No terms and conditions of any purchase order or invoice of Purchaser utilised in connection with the purchase of Products shall, even if expressly so stating, be deemed to override these terms and conditions.

Quotations / tenders are exclusive of value added tax.

Quotations / tenders are exclusive of discounts and retentions unless otherwise stated and none may be taken without prior agreement in a separate document executed by an authorised representative of Access & Automation Ltd.

Quotations / tenders are based on free unobstructed access to work areas and on the quantities provided, if there is a significant reduction in quantity our rates will need to be revised.

Aborted shifts chargeable based on the rate of labour, travel and admin.

Settlement of invoice / valuation to be agreed upon award of contract and documented in a separate document executed by an authorised representative of Access & Automation Ltd.

Disposal skips and rubbish chutes to be provided by main contractor unless specified in our quotation / tender.

Written instruction required to commence / recommence works as stated in our contract terms.

No variation works outside the original contract shall be carried out without written instruction by relevant personnel.

Water, power, welfare facilities and suitable storage area to be supplied by Main Contractor unless otherwise stated.

All materials fixed or un-fixed remain the property of Access & Automation Ltd until full payment has been received.

No allowance has been made for planning permission or building notices unless stated otherwise in writing. These items are to be obtained by the client.

A risk assessment, method statement and any other documents required will be provided on acceptance of our quotation.

Liquidated damages will not be accepted.

Delivery 4/5 weeks from receipt of order, exact time frames to be agreed upon award of contract.

Prices are valid for a period of 30 days from the date of the quotation.

A twelve months warranty will apply to the quoted equipment from completion of installation for faulty components subject to fair wear and tear and no misuse.

All electrical work is to current standard including testing and certification registered with building control as required by BS7671

For and on behalf of Access & Automation Ltd
